**** PRESS RELEASE ****

06/21/2025

On June 21, 2025, Marshal Daley conducted an overnight patrol when a vehicle was observed traveling above the posted speed limit and crossing left of center on U.S. Highway 40. A traffic stop was initiated near Chamberlain Street, and a deputy from the Vigo County Sheriff's Office responded to assist.

Following a preliminary investigation, officers established probable cause to search the vehicle. During the search, approximately **75.7 grams of suspected methamphetamine** were recovered, along with suspected marijuana and multiple items of drug paraphernalia.

This incident remains under investigation. Further information will be released as it becomes available.

The Seelyville Police Department will continue its proactive efforts to keep drugs and criminal activity off the roadways.

All suspects involved are innocent until proven guilty in the court of law

Grant Daley, Town Marshal
